

Hello Senior Infants!

I would like to invite you all on a Virtual School Tour. Unfortunately, we can't go on a school tour together in person this year but hopefully we can still have lots of fun!

We are going to.... **Dublin Zoo (Virtually!)**

**On Wednesday 9.30am**

You will be watching the videos and live stream from the Dublin Zoo website then we can have a chat on **Zoom at 11am Wednesday.**

The link for the virtual tour on the Dublin zoo website is

<https://www.dublinzoo.ie/virtual-tours-2/>

**Video 1** - Reptile House - Pythons, Chameleon, Crocodile

**Video 2** - Panda, Meerkats

**Video 3** - Elephant, Okapi, Tortoise

**Video 4** - Gorilla, Chimpanzee

**Video 5** - Penguin, Rhino, Giraffe, Hippo

**Video 6** - Wolf, Flamingo, Sea Lion, Tiger

**Video 7** - Asian Lion, Snow Leopard, Orangutan

There are also fantastic videos with a zookeeper in the 'Home School Hub' section of the education section, live streaming videos and booklets to print out if you want. Enjoy!

We will meet for a **Zoom Chat at 11am on Wednesday Morning** where we can discuss our favourite animals and maybe bring a snack and drink with you and we'll pretend we're having our snack at the zoo!!

To all the parents we can try to make this fun by replacing the special parts of the trip with equivalents at home. For example the kids love getting on the bus so if you have a car/bike just drive/ride around the street and come back to the 'zoo' at home! You'd be amazed how much fun little things like this are if you join in the fun! Most of all, enjoy yourselves!

Ms Thompson
