The zoom call will be a chance for the boys to see each other. We will be having a chat about the videos and eating our lunch!

I will put all information on seesaw on Thursday at 9:30am and feel free to message me on Seesaw if you're having any problems.

To all the parents we can try to make this fun by replacing the special parts of the trip with equivalents at home. For example; you could make them a packed lunch with a few sweets in there. You'd be amazed at how much fun little things like this are if you join in! Most of all, enjoy yourselves!
