Re: Relationships and Sexuality Education (RSE) 6th Class

Dear Parents/Guardians,

As part of the Social, Personal and Health Education (SPHE) curriculum, the students in 6th Class will learn about the **human reproductive system**. These lessons will occur over the next couple of weeks. The lessons will be delivered by the class teacher.

The class teacher will also cover some 5th Class topics in relation to **puberty, growth and hormone changes** (these were due to be covered last year when the school was closed due to Covid-19).

Parents can view the content of these lessons on www.pdst.ie link by following these tabs: Curriculum/SPHE/RSE/5th and 6th Class. The children will use the book '**Busy Bodies**' in class and also view the DVD 'Busy Bodies'.

Should you have any queries or concerns, please contact the school as soon as possible.

Le meas,

M.Murray

Principal
