## Re: Shared HSCL Co-Ordinator Appointment

13th October 2021

Parents of 4th/5th Class,

You may be aware that Matthew McArdle, our previous HSCL Co-Ordinator for the Redeemer Schools, took up a principalship in Monaghan at the beginning of the school year.

Following on from this, the Shared HSCL Co-Ordinator position was advertised across the two schools. Interviews were held last week and I am delighted to announce that **Mr Niall McArdle was appointed to the post**. He will commence this role after the Halloween break on Monday 1st November.

I will be letting the wider school community know this news in our October Newsletter, however, I wanted to link in with you first, as parents of the pupils in Mr McArdle's class. A recruitment process will need to take place to fill the vacant class teacher position and the hope is to have a teacher in place by the end of November.

In the interim period, most likely **Monday 1st November to Friday 26th November, I will teach 4th/5th Class**. This is to provide consistency to the class and to ensure a smooth transition for everyone. We will be able to avail of extra teaching support for the class during this 4 week period, however, I will be a constant for the boys until a more long-term appointment is made.

The boys have been informed of this today and I will be in and out of the classroom both this week and next week to get to know the boys a little better and ease into the day-to-day running of the room.

Thank you for your continued support ,

---

M.Murray
