28th April 2022

Dear parent/s of _____,

We are delighted to invite you and your son to an **Open Day** in the school next week.

When? Thursday 5th May

Time? 1.15-2.30pm

_____ will be able to spend time in the Junior Infants classroom in an informal and fun manner. There will be a short introductory talk in the School Hall at 1.30pm, which is located at the top of the school. I will go through some housekeeping issues and Miss Harlin, our Junior Infants class teacher, will explain the main curricular elements of your son's first year in school and give you some advice as to how you may be able help him at home. After the introductory talk, your son can be picked up from the playground at the side of the school.

Looking forward to seeing you next week,

Le meas,

M.Murray

Principal
